

Stay informed and up-to-date regarding PCHS Choir with Remind!

Each curricular class has its own channel, so make sure to sign up for the correct class.

All choral students must sign up for Remind. Parents are encouraged to sign up, as well!

Instructions

1. Download the Remind app from the iOS App Store or Google Play Store (it's free)
2. Once signed up, enter the code for your choir class:
 - a. All Mixed Choir students (both 2nd and 7th period) - "@pchsmc20"
 - b. All Treble Choir students - "@pchstc20"
 - c. All Concert Choir students - "@pchscc20"
3. If you don't wish to download the app, you can receive text messages straight to your phone (standard rates may apply). Simply text your curricular class code to "81010".

Each year, I utilize Remind as a way to message students about upcoming assignments, rehearsals, concerts and more. We will be going over the sign up process during the first week of classes.
